CPD Programme
2021/22

Welcome to the Learning Partnership.

Thank you for taking the time to explore the Learning Partnership.

I am delighted to invite you to join us for the forthcoming academic year and beyond.

The Learning Partnership is different. We work in partnership with schools and educators to identify emerging needs each year, and tailor our CPD offer to help schools improve in the areas that matter the most. Through our programme of high-quality and targeted continued professional development, we are committed to helping schools and teachers continually improve.

Supporting you, your staff and your school via our programme of high quality professional development for 2021-22, we aim to develop schools by developing teachers.

Our training focuses on pedagogy, school leadership, foundation subjects and curriculum development, offering development opportunities for teachers at all levels.

There are four ways to work with us in 2021/22 that are explained in more detail throughout this brochure:

1. **Become a Partner School**

1 year: £3.00 per pupil capped at £1500.00

3 years: £2.75 per pupil capped at £4000.00

2. **Become an Affiliate School**

1 year: £1.50 per pupil capped at £1500.00

3 years: £1.25 per pupil capped at £4000.00

3. **Buy individual elements of the professional development support programme - see each element for costing**

4. **Buy ad hoc places: individual places on sessions**

We look forward to you joining the partnership. If you need any further information please do get in touch via email, iain.simper@learningpartnership.uk or via phone 01733 686886.

Many thanks.

Become a Partner School.

Becoming a Partner School of the Learning Partnership not only gives schools free and unlimited access to our CPD courses throughout the year, it also provides you with more hands-on support and guidance from our consultants to help develop your CPD strategy.

We will meet with your school on a termly basis to help guide and develop your CPD strategy, in line with your school development plan. It will also give you exclusive access to our school-to-school support network, and the opportunity to shape, present and attend our Partner School Webinar programme – aiming to facilitate meaningful collaboration and sharing of best practice among our member schools.

And, best of all, this will all come at a simple and easy to understand fixed annual cost of £3 per pupil per year capped at £1,500. This is also discounted to £2.75 per pupil for a three-year subscription capped at £4,000.

Becoming a Partner School brings you the following:

CPD access	Access to all CPD as detailed in this brochure from the Learning Partnership at no additional cost during the academic year 2021-22*** # Where possible, courses are recorded and currently available to Partner Schools only. Access is time limited until the end of the current membership period.

CPD Programme 2021/22.

We are committed to developing schools by developing teachers.

We are proud to be a leading professional development provider, supporting schools on their school improvement journeys, providing timely, responsive, and effective CPD opportunities for staff in schools.

We are proud to be different – we work in partnership with schools and educators, analysing SDPs, Ofsted reports, and 1:1 conversations with school leaders, to identify emerging needs, evaluate impact and provide our schools with the very best training opportunities that drives real school improvement.

We believe that all schools should benefit from effective support to improve learning outcomes for pupils and continued professional development of teachers.

1. Professional development should have a focus on improving and evaluating pupil outcomes.
2. Professional development should be underpinned by robust evidence and expertise.
3. Professional development should include collaboration and expert challenge.
4. Professional development programmes should be sustained over time. And all this is underpinned by, and requires that: professional development must be prioritised by school leadership and staff in partnership

How do I book staff onto a course?

Access to all of our courses is through our website: www.learningpartnership.org.uk/courses-events/

Unless otherwise stated courses are online. Where a critical mass of geographically near schools wish to commission face to face courses then this can be accommodated.

Click on the course you are interested in and an email response box will pop-up. This has drop down spaces for booking all the details in and, when sent, will go to our administration team. You will receive a confirmation email.

Where possible, courses are recorded and currently available to Partner Schools only. Access is time limited until the end of your school's current membership period.

You can track your engagement via your 'Account' accessed via our website: <https://events.learningpartnership.uk/members/login>

<u>5.10.21</u>	Access to a private interaction group. This enables participants to stay in touch in between meetings and to raise questions. Access to our monthly bonus meetings, at no extra cost. Each termly meeting, we pick a school name out of the hat and the school receives up to £100 resources. The termly meetings themselves include a leadership slot, a case study to collaboratively develop identification and provision allocation skills plus a focus on an area of need. The materials are designed to help you train your teaching staff back at school. We believe the best support happens in the classroom, so a strong emphasis is placed on developing your teaching team.
